Aaditya Sriram

Sunnyvale, California | <http://aadityasriram.com> | aaditya@aadityasriram.com | +1 (206) 790-8339

Have worked as a front end developer on desktop and mobile apps over the course of my career as an engineer and product lead for products such as the IDE used at Facebook and the main Facebook app on android and iOS store

WORK EXPERIENCE

FACEBOOK

Software Engineer | Jun, 2016 - Current

Full stack JavaScript (React, Redux) developer on the Nuclide team, headed the development of source control integrations in the IDE. Performed as a tech and product lead for interactive smartlog (interactive `hg sl`), code review integrations in the IDE

- Currently working on the Movies team and ramping up as an iOS developer

FACEBOOK

Android Developer Intern | May, 2015 - Aug, 2015

Android dev on the local content team, my internship project was to build the review feed that displays all the reviews for a particular place and also enabled a reformed review flow that improved the experience to add reviews for a place

SAMSUNG

Android Developer | Jul, 2013 - Aug, 2014

AMAZON
